

Privacy Policy

e-Con Solutions has established this Privacy Policy to explain how it protects and manages the personal information that it collects from customers or other visitors to its online resources.

1. Accountability

e-Con Solutions may collect certain “personal information” (information that personally identifies you) such as your name, email address, profession, work address, telephone number, and information about your computer hardware and software (e.g., IP address, operating system, browser type, domain name, URL, access times, and referring web site addresses).

e-Con Solutions has implemented this Privacy Policy to protect personal information received from its (potential) customers, and to respond to any inquiries. The Privacy Policy also provides that if e-Con Solutions provides your personal information to a third party for processing, this will be done under explicit guidelines to secure your information.

2. Purposes for Collecting Personal Information

e-Con Solutions collects and uses personal information for the following Identified Purposes: (a) to understand customer needs regarding e-Con Solutions’ services; (b) to develop and provide our web site and our products and services for our customers; (c) to fulfil your requests for products, services or information; (d) to communicate with customers and site visitors, when necessary, and to inform customers of new releases, as well as of other products and services available from e-Con Solutions, its affiliates and third parties; (e) to allow customers to access restricted-access areas of e-Con Solutions’ resources; (f) to personalize some of our services and products for you and to deliver targeted advertisements and offers from e-Con Solutions and third parties; (g) to bill accounts and maintain payment records; (h) to comply with any applicable law, regulation, legal process or government request; (i) to respond to a legitimate claim, or to address a reasonable belief, that the rights of any third party or any of the agreements or policies that govern the use of the e-Con Solutions site or any e-Con Solutions product or service have been violated; (j) to protect the services, products and rights of e-Con Solutions, including but not limited to the security and integrity of the e-Con Solutions site; and (k) to identify and resolve technical problems concerning e-Con Solutions’ site, products and services.

If we engage other companies to provide some products or services on our behalf, then we will only provide those companies the personal information they need for these Identified Purposes, and we will through a Data Processing Agreement limit their rights to use and further disclose any personal information to the extent that is appropriate in the course of their work for us.

3. Limiting the Collection of Personal Information

e-Con Solutions limits its collection of personal information to only that information which is necessary for the Identified Purposes. e-Con Solutions does not target its site, services and products to, nor does it knowingly collect any personal information from, children under the age of sixteen.

When you visit the e-Con Solutions web site, a cookie may be placed on your computer or, if you have visited the e-Con Solutions web site in the past, an existing cookie may be read. e-Con Solutions uses cookies to enable e-Con Solutions to determine which products and services you have already

shown interest in so that e-Con Solutions does not provide redundant information to you. If you choose to not have your browser accept cookies from the e-Con Solutions web site, you may not be able to view all the text on the screens, or to experience a personalised visit, or to subscribe to certain service and product offerings on the e-Con Solutions site.

4. Disclosure, Processing and Retention

e-Con Solutions does not sell, rent or disclose your personal information to anyone else, except: (a) to someone you have designated to act as your agent, for one or more of the Identified Purposes (listed in Section 2, above); (b) a very limited amount, and in very few cases, to e-Con Solutions' employees, independent contractors, subsidiaries, affiliates, consultants, business associates, service providers, suppliers and agents, acting on e-Con Solutions' behalf for any of the Identified Purposes; (c) as necessary if e-Con Solutions has reason to believe that disclosure is necessary to identify, contact or bring legal action against someone who may be causing injury to or interference (either intentionally or unintentionally) with e-Con Solutions' rights or property, other users of e-Con Solutions' web site, products or services, or anyone else that could be harmed by such activities; or (d) to respond to judicial process and provide information to law enforcement agencies or in connection with an investigation on matters related to public safety, as permitted by law, or otherwise as required by law.

In addition, as we continue to develop our business, we or our affiliates may sell or buy other businesses or entities, or we may merge with another company. In such transactions, personal information may be one of the transferred business assets. Also, in the event that e-Con Solutions or substantially all of its assets are acquired, your personal information may be one of the transferred assets.

Your information may be stored and processed in the Netherlands, or in any other country in which e-Con Solutions or its affiliates, subsidiaries or agents maintain facilities. By using this web site or any other products or services from e-Con Solutions, you consent to any such transfer of information outside of your country.

If you request to be removed from our databases, your personal information will be deleted and will no longer be used for any of the Identified Purposes. e-Con Solutions will however keep your personal information in its archives. Your information will then be used only as necessary for tax reasons or to prove e-Con Solutions' compliance with any applicable law.

5. Accuracy of Personal Information

e-Con Solutions will use reasonable efforts to keep personal information accurate for the Identified Purposes, and for minimizing the possibility of making inappropriate decisions based on such information. Individuals are encouraged to inform e-Con Solutions about changes to their personal information. e-Con Solutions will use new or updated personal information it receives from customers to update its own records.

6. Security Safeguards

e-Con Solutions will use reasonable efforts to protect personal information.

7. Access to Personal Information

Individuals have the right to request that inaccurate or incomplete information be amended as appropriate, by contacting e-Con Solutions. e-Con Solutions will promptly correct such personal information.

e-Con Solutions will afford you a reasonable opportunity to review the personal information in your file, if you so request by writing either by email to privacy@e-consolutions.com or to
